Children's Cottage

*A loving
nurturing place
where children
learn about
their world
and themselves*

Catholic
Charities

Fort Wayne-South Bend Diocese

We believe that families are the cornerstone of our society, and sometimes they need help in fulfilling their responsibility to provide care and teach values.

Children's Cottage accepts this challenge by providing quality childcare to families without regard to their race, color, religion, gender, national origin, or handicap.

Our philosophy

- Children develop best in an environment that is loving and nurturing.
- Children learn best through their own experience and discovery.
- Each child is an individual and should be treated as such.

Our teachers create an environment that offers many opportunities for children to learn physically, socially, emotionally, and intellectually. Foster Grandparents assist our teachers in providing daily care and individualized attention.

Children's Cottage provides over 20,000 days of care a year to more than 200 children and their families.

The agency is a member institution of Catholic Charities, Diocese of Fort Wayne-South Bend. Our mission is to serve the needs of our neighbors.

Our commitment

- Provide care that promotes and enhances the physical, social, educational, and emotional development of each child.
- Promote happy and healthy interaction between the children and their families.
- Work with organizations and be involved in activities whose purpose is to address the unique needs of child care, education, and development.
