“Then he looked up at his disciples and said:

‘Blessed are you who are poor, for yours is the kingdom of God.

Blessed are you who are hungry now, for you will be filled.

Blessed are you who weep now, for you will laugh.

Blessed are you when people hate you, and when they exclude you, revile you, and defame you on account of the Son of Man. Rejoice in that day and leap for joy, for surely your reward is great in heaven; for that is what their ancestors did to the prophets.’”

Dear Friends,

Here at Catholic Charities, The Beatitudes provide clear direction for the services we provide. To quote Catholic Charities USA, “The Beatitudes establish the perspective by which we organize and structure Catholic Charities: we are called to reflect the kingdom of God in our operations, policies, and actions.” This single objective sets us apart from other social-service organizations, and defines our purpose as well as our programming.

And so we must thank you for your support this year. Without your contributions, we would never be able to fulfill the clear and straightforward commands of Jesus to serve those around us in His name. With your help, we have been able to offer programs that fulfill Jesus’ instructions and—in many cases—serve populations that would otherwise go unreached in several counties across our diocese.

Of course, we know that not all are called to serve or work in these types of ministries. That’s why we’re here, to provide the vessel for living out the Gospel imperative to serve the poor, oppressed, vulnerable, and hungry. Catholic Charities provides the actual services, but we need our supporters to do their part through prayer, financial gifts, volunteer services, or becoming a goodwill ambassador for us.

Catholic Charities USA puts it this way: “Through The Beatitudes and the Parable of the Good Samaritan, Jesus teaches that responding to suffering people is not simply a matter of following prescribed laws and rules; it is about embracing the Law of Love.”

Please join us with your renewed support as we continue to live by this law of love in the coming year. And, again, many thanks for all your support this past year.

God bless.

Sincerely,

Gloria Whitcraft
Executive Director

PLEASE NOTE: During fiscal year 2014-2015, we are apportioning our various administrative costs to the actual programs they support, rather than assigning them to our executive-office cost center, which had been the practice heretofore. This new method will show that the majority of our administrative costs enable our direct service to Catholic Charities clients, whereas one could infer from the chart above that the agency spends a disproportionate number of dollars on general administration, which is not, and never has been, the case. Next year’s report will reflect this new approach.

Many thanks to Peoples Federal Savings Bank Charitable Trust for its recent donation, enabling us to replace a commercial freezer that had stopped working at Catholic Charities’ RSVP Community Center of Caring food pantry in Auburn.

“Several of the board members at People’s Federal Savings Bank Charitable Trust are familiar with RSVP and the work that we do,” says Terri Pfenning, RSVP volunteer coordinator, “including one board member who actually presented the idea of starting a food pantry at the community center in the first place.”

Gloria Whitcraft, Catholic Charities executive director, agrees. “Our Auburn RSVP Community Center of Caring is such a lively place,” she says. “We’re so thankful for all of the community support we receive. This gift in particular will help us maintain services to so many in the community.”
